

## Product Description

One of our best selling sliding glass lid chest freezers. Ideal for display of frozen food including ice cream and lollies. Sturdy heavy duty castors are fitted to enable easy movement of the cabinet, two of the four castors are lockable. Excellent adjustment on the temperature allows you to hold a temperature around -14°C for ready to serve ice cream, or down to -24°C for other frozen food. A lock is fitted for security and a defrost drain for cleaning out the cabinet comes as standard. The unit also has a fan assisted condenser for efficient operation. Unit comes complete with a full set of baskets and dividers (ICB100SC does not come with any dividers and only 1 basket). A great product at an excellent price.

## Features and Benefits

- Flat sliding lids
- Static cooling
- Lock
- Castors 2 lockable
- Digital temperature display
- Defrost drain
- Fan assisted condenser for energy efficiency
- 1 Divider per basket (except ICB100SC)
