

Product Description

An excellent choice of sliding glass lid chest freezers similar to the IC-SC range but with sloping top for a better visual display, and curved lids which always look better. Ideal for display of frozen food including ice cream and lollies. Sturdy heavy duty castors are fitted to enable easy movement of the cabinet, two of the four castors are lockable. Excellent adjustment on the temperature means you can hold a temperature around -14°C for ready to serve ice cream or down to -24°C for other frozen food. The unit comes with a lock as standard and a defrost drain for easy cleaning. The unit also has a fan assisted condenser for efficient operation. A full set of baskets with dividers supplied as standard (except ICB100SCEB). A firm favourite with many ice cream companies. (A canopy version for scooping ice cream is also available).

Features and Benefits

- Curved sliding lids
- Static cooling
- Lock
- Castors 2 lockable
- Digital temperature display
- Defrost drain
- Fan assisted condenser for energy efficiency
- 1 Divider per basket (except ICB100SCEB)

Technical Specifications

Temperature Range	-14/-24°C
Refrigerant	R290 (IC100SCEB, IC200SCEB - R600a)
Type of Defrost	Manual
Exterior Finish	White
Interior Finish	White
Power Required	13 Amp
Max Ambient	30°C at 55% RH
Climate Class	4
